## Chinese New Year/Half term

Please note that the kindergarten will close from Monday, 4<sup>th</sup> February until 8<sup>th</sup> February, 2019 inclusive, for Chinese New Year and Half Term.

If you are planning a vacation prior to this period, could you please inform your child's class teacher.

## Chinese New Year Party

As some children are leaving early, the Chinese New Year Party has been brought forward to Tuesday, January, 29, 2019.

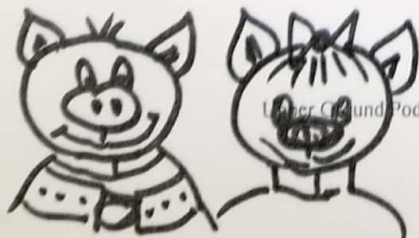

Your child is invited to come to kindergarten dressed in Chinese style dress, e.g., chinese pajamas, cheongsam, etc.

## Outdoor Play

For safety reasons until the outdoor play area play mat is replaced by the management of the estate, during class time, the children will only use the gated play area.

Please note, for cleaning purposes the gates will close at 12.40 p.m.

Parents and helpers are most welcome, at their own risk, to supervise their child at play at the beginning and end of the session in the big playground.

Upper Ground Podium, Block 4, Julimount Garden, Tai Wai, Sha Tin.

To support the practice of the kindergarten, your child should not be allowed to climb on the surrounding wall or be unsupervised in the swimming pool and pagoda areas.

## An Important Reminder

When entering or leaving the kindergarten, **please remember to close the outside gate.**

## Arrival and Collection of Children

Please ensure that your child arrives for class on time, the settling in period at the beginning of the session is an important part of the class routine.

Late arrivals can be disruptive, especially during the registration period. Your child should also be collected promptly at the end of the day.
